Shiites depiction of Prophet Joseph

*Imam Jaafar as-Sadiq said, "The soil of Husain's cemetery is the cure to all diseases and the greatest medicine." (*Man La Yahuru al-Faqih vol 2 page 600. Tahzib al-Ahkam vol 2 page 26*)

*Abu Hasan a.s. said, "There are two parts of the body that should be covered (aurat) that is the genital and the anus. The anus has been covered by two sides of the buttocks; then whenever the penis and testis are covered his aurat is deemed covered." (*Al-Furu' min al-Kaafi, vol 6 page 51. Tahzib al-Ahkam vol 1 page 374*)

*Imam Hassan al-Askari said, "Verily, our mothers do not conceive us, the Imams, inside the stomach but at the waist and we were given birth not through the womb but through the right thigh because we are the drips of Allah's light which is pure and free from any dirt." (*Bihar al-Anwar, vol 51 page 2,13 and 17. I'lam al-Wara, page 394*)

*Fatwa by Khomeini, "It is a better and more popular opinion that it is permissible to have intercourse through the anus eventhough it is not desirable." (*Tahrir al-Wasilah, chapter 11 page 241*)

*Abu Hassan asked Ja'far as-Sadiq about hiring the vagina, lending it or giving it as a present to friends, he answered, "It is okay." (*Al-Istibsar, vol 3 page 141*)

**Fulfilling carnal needs by rubbing, hugging, pointing the male genital to a child or even a suckling baby's thighs are permissible". (*Khomeini, Tahrir al-Wasilah vol 2 page 216*)

*Strange and unusual commentary on verses 19 and 20 of Surah Ar-Rahman which are translated as, "He has made the two seas to flow freely (so that) they meet together. Between them is a barrier which they cannot pass". A leading Shiite Quranic commentator Ali bin Ibrahim al-Qummi related a story from Ja'far as-Sadiq, who said, "Ali and Fatimah are the two deep seas which do not transgress each other." (*Tafsir al-Qummi, vol 2 page 345*)

The Kaaba which has been built by the Shiites in Karbala. The Shiites circumambulate this 'Kaabah' in the same manner Muslims circumambulate the actual Kaaba in Masjidil Haram, Mecca.

The writing on upper part of the Shiites' Kaabah read as "Ali Jaan" (Ali is our love)

HOW TO DETECT THAT A PERSON IS A SHIITE

The following are some of the indications of the Shiites character. Be suspicious if you spot these conducts especially among your loved ones:-

- * Revere Sayyidina Ali incessantly, and always favour him over Sayyidina Abu Bakr, Umar and Uthman.
- * Belittling and looking down on companions
- * Always jama' (combine) and qasar (shorten) Zühr and Asr and Maghrib' and Isha' prayers with no valid reasons.
- * Feet are only wiped (ie instead of washed) during wudhu' (ablution).
- * Prostrate on Karbala' stone during prayer's.
- * Patting the thighs before saying the salam (during prayer).
- * Consume only scaly fish.
- * Delay the breaking of fast until close to Isha' prayer's time.
- * Scold those who fast during Ashura day (10th of Muharram).
- * Incessantly mentioning the need of imam (leader) for this period of time.
- * Symbols identifiable to Shiism (as shown in page 3) are displayed at their premises.
